Kindly follow the steps and instructions mentioned on each screenshots:

1. Steps to Access eBooks Online on Desktop/Laptop:

- Go through the below mentioned URL:

<http://eduport-global.com/bookshelf>

The screenshot displays the EduPort Global website. At the top, there is a navigation bar with links for 'For Trial', 'Support', and 'Catalog'. Below this is a search bar with the placeholder text 'Search for Title, ISBN, Author, Keywords, etc.' and a 'Go' button. To the right of the search bar is a 'Login' button and the EduPort Global logo. The main banner features a collage of book covers, including 'AIIMS Protocol Neonatal', 'Climate Change, Soil and Agricultural Technologies for Sustainable Development, Food and Social Security', and 'Electrical Machines'. Below the banner, there are buttons for 'Click any of these buttons to download the App', 'Download on the App Store', 'ANDROID APP ON Google play', and 'App Download Instructions'. On the left side, there is a vertical menu with categories and their respective book counts: Agriculture & Life Science (55), Allied Sciences (64), Architecture (9), Basic Science (31), Chemical Engineering (16), Civil Engineering (27), Clinical Science (42), Dentistry (123), Electrical & Electronics Engineering (17), Engineering & Science (53), Management (11), and Mechanical Engineering (15). The main content area shows a featured book, 'Climate Change, Soil and Agricultural Technologies for Sustainable Development, Food and Social Security' by Subhash Chand. To the right of the featured book are three other book covers: 'Industrial Microbiology', 'Vegetables', and 'Manures, Fertilizers and Pesticides'. A 'See more' link is located below these covers. At the bottom right, there is a section titled 'Read this on:' with icons for desktop, tablet, and smartphone, along with the Apple and Android logos.
